R. Todd Ruppert is the founder and CEO of Ruppert International, a firm with diversified interests globally in various fields including education, financial services, disruptive technologies, publishing, arts and entertainment, and strategy consulting. He is chairman of several firms, president of London's Royal Parks Foundation, a global ambassador for the Duke of Edinburgh's International Award, and a board member of INSEAD Business School and the Rock and Roll Hall of Fame.

He is a venture partner at Greenspring Associates, a US based venture capital firm with over \$9 billion under management. He is also a senior advisor to SenaHill Partners, a FinTech merchant bank, and Motive Partners, an investment firm focused on technology businesses in the financial services sector.

Todd has 40 years of experience in the financial services industry. He retired from T. Rowe Price, the global asset management firm with over \$1.0 trillion under management, where he was CEO and president of T. Rowe Price Global Investment Services, co-president, T. Rowe Price International, and a member of the operating steering committee of the T. Rowe Price Group.

His numerous board and advisory board roles are for the following organizations located around the globe:
